This response pertains to the Reports Analysis Division's ("RAD") Request for Additional Information ("RAI") dated May 31, 2013, covering Treasure Coast Jobs Coalition's ("TCJC") 2012 Amended Pre-General Report (10/01/2012 - 10/17/2012), received by the Commission on April 26, 2013. RAD seeks clarification on the Amended Pre-General Report's increase in disbursements on Line 21(b) from those disclosed on TCJC's original Pre-General Report.

As we explained to TCJC's RAD Analyst, Brian Jones, the RAI appears to be referring to two additional disbursements of \$29,180.00 on October 15, 2012 for fundraising consulting services and \$1,589.95 on October 5, 2012 for credit card fees. In both cases, as a result of findings from TCJC's comprehensive year-end internal audit of its 2012 financial activities, TCJC promptly and sua sponte reported these disbursements on an Amended Pre-General Report as soon as information that could require an amendment became available. Pursuant to the Commission's Statement of Policy Regarding

Treasurers' Best Efforts from 2007 (Notice 2007 13, 72 FR 31438), TCJC used its best efforts and took all reasonable steps to expeditiously correct its Pre-General Report.
